REPORT OF SUPERINTENDENT

Dear Members of the Oconee Community,
Each year we write this narrative for our annual report card, and it provides a time of reflection on the past school year. As in the past, we have worked to develop a budget that is fiscally reasonable and instructionally sound so as to provide a good return for our citizens.

As a school community, we value our tradition of developing well-rounded students who are academically strong and exposed to a wealth of extra- and co-curricular activities. As we enter 2013-14, it is important to maintain this tradition.

For the current school year, the Board of Trustees has developed a budget that maintains all current class sizes, programs and services, and is within the criteria established by the state and accrediting agencies with no increase requested in revenues from local property taxes. The School District of Oconee County is provided much support from the community. The Education Foundation of Oconee County continues to support teacher grants, the Back-Pack Weekend Feeding Program, and the Oconee Junior Leadership Program. These and other community projects are enabling our district to remain academically progressive. The work of so many community groups, and the countless volunteers in our classrooms each and every day, have made a profound difference in the lives of our students and enabled us to accomplish so much in a difficult economy.

We are proud of the accomplishments of our students as we strive to compete against the top performing districts in the state and nation. Our goal is to ensure academic consistency across our schools and in our classrooms, and to implement programs that support our excellent teachers and staff so they can provide the best education possible to our students.

As a school system, we are as strong as the community that supports us. I encourage you to review our report card data and to become involved in the many discussions that are taking place regarding our local public schools. You can do so by volunteering in classrooms, attending Board and PTA/O meetings, or a School Improvement Council/Booster Club meeting in your school on any number of topics. Your input is valued and appreciated.
Andy Inabinet, School Board Chairman
Michael Lucas, Superintendent
